KING WHEELS AUSTRALIA

COMPANY PROFILE

King Wheels Australia are a distributor of high quality alloy and steel wheels through a network of experienced and highly trained resellers. Established in 2004, King Wheels has grown to become one of Australia's leading automotive wheel suppliers.

With a reputation for quality and service, we offer a range of wheels at the forefront of wheel design and technology. Many of our passenger and now 4WD alloy wheels feature Rotary Flow Forming technology, a process which compresses the wheel's outer band

to provide a stronger and lighter wheel at a competitive price.

Our range of steel wheels cover a wide variety of fitments and styles to suit most of Australia's SUV and 4WD vehicles and are renowned for their strength and durability. King steel wheels are the number one choice for any serious offroader.

Covered by our Lifetime Structure Warranty you can rest assured you have made the right choice when you purchase **King Wheels!**

Lifetime Structural Warranty Terms and Conditions

All alloy & steel wheels distributed by King Wheels Australia Pty Ltd are covered by a Lifetime structural warranty to the original purchaser.

All alloy & steel wheels have a 1 year warranty on all finishes to the original purchaser from the date of purchase invoice.

A copy of the original purchase invoice must be supplied with all wheels returned for warranty inspection, any wheel which does not qualify for warranty will be returned.

Freight returns & re-shipping will be at the customer's expense unless authorised by King Wheels Australia Pty Ltd.

King Wheels Australia Pty Ltd will not be liable for any cost incurred regarding a warrantable product.

All King Wheels products will not be warrantable if used in off-road and or motor sport applications.

Warranty will be void if any repairs or modifications are made to the original King Wheels product or resulting from accident damage, negligence or misuse.

Warranty on wheel finish will be deemed void if chemicals, abrasive cleaning product or high pressure water devices are used in the maintenance of the wheel, wheels damaged due to adverse weather conditions, salt water, road chemicals or brake dust corrosion.

Warranty on decorative bolts and accessories will be deemed void if the original finish has been stripped or removed from the use of chemicals/cleaners or from the use of pneumatic/battery tools.

Wheels installed with incorrect tyre size and or load rating or used with excessive vehicle loads will be deemed void of warranty.

Check legal fitments with all relevant state authorities before installing to any motor vehicle.
